

Letter to Parents

Dear Parents,

The leadership of the F.I.R.M. Area Pre-teen Camp wants this to be the best camp that your child (children) have ever attended and you can help us in this endeavor.

Be sure that the swim suit that your child brings to camp is modest. If it is not what the camp director considers to be modest, then your child will be required to wear a t-shirt over the suit.

If your child brings money to camp, then we suggest that you send it in a small coin purse that can be clipped onto the lanyard that holds their name tag. The only money that they will need is for an afternoon snack or for items purchased in the gift shop. All meals and an evening snack are included in the camp fee.

Paint Ball is one of the activities planned for this year's camp. The younger children will shoot at targets and not at other campers. If you do not want your child to participate in this activity, then please be sure that your counselor is aware of your decision. There is no separate cost for this activity.

Latham Springs has made arrangements for you to send e-mails to your child. Please review the information on this service if you wish to participate. You can also send mail to your child. We suggest that you mail your letter on Friday prior to the first day of camp. On the letter put your child's name and FIRM Pre-teen camp, so that the letter will be routed to your child.

As always be sure to mark all of your camper's items with their name and don't let them bring cell phones, computer games, expensive jewelry, or other items that may be lost.

Thank you for sending your child to the F.I.R.M. Area Pre-teen camp. We are excited that you are letting us spend the week with them.

Sincerely,

Pre-teen Camp Committee
